Attorneys for the Arizona State Board of Pharmacy

RECEIVED
MAY 14 2010
ARIZONA STATE
BOARD OF PHARMACY

BEFORE THE ARIZONA STATE BOARD OF PHARMACY

In the Matter of **VICKI GRAVES,** Holder of License No. S007231 As a Pharmacist In the State of Arizona	Board Case No. 10-0061-PHR **CONSENT AGREEMENT FOR CIVIL PENALTY AND CONTINUING EDUCATION**

In the interest of a prompt and judicious settlement of this case, consistent with the public interest, statutory requirements and the responsibilities of the Arizona State Board of Pharmacy ("Board") under A.R.S. § 32-1901, *et. seq.*, Vicki Graves ("Respondent"), holder of Pharmacist License Number S007231 in the State of Arizona, and the Board enter into the following Recitals, Findings of Fact, Conclusions of Law and Order ("Consent Agreement") as a final disposition of this matter.

RECITALS

1. Respondent has read and understands this Consent Agreement and has had the opportunity to discuss this Consent Agreement with an attorney, or has waived the opportunity to discuss this Consent Agreement with an attorney.

2. Respondent understands that she has a right to a public administrative hearing concerning the above-captioned matter, at which hearing she could present evidence and cross examine witnesses. By entering into this Consent Agreement, Respondent knowingly and voluntarily relinquishes all right to such an administrative hearing, as well as rights of rehearing, review, reconsideration, appeal, judicial review or any other administrative and/or judicial action, concerning the matters set forth herein.

3. Respondent affirmatively agrees that this Consent Agreement shall be irrevocable.

4. Respondent understands that this Consent Agreement or any part of the agreement may be considered in any future disciplinary action by the Board against her.

5. Respondent understands this Consent Agreement deals with Board Complaint No. 3760 involving allegations of unprofessional conduct against Respondent. The investigation into these allegations against Respondent shall be concluded upon the Board's adoption of this Consent Agreement.

6. Respondent understands that this Consent Agreement does not constitute a dismissal or resolution of any other matters currently pending before the Board, if any, and does not constitute any waiver, express or implied, of the Board's statutory authority or jurisdiction regarding any other pending or future investigation, action or proceeding.

7. Respondent also understands that acceptance of this Consent Agreement does not preclude any other agency, subdivision, or officer of this State from instituting any other civil or criminal proceedings with respect to the conduct that is the subject of this Consent Agreement.

8. Respondent acknowledges and agrees that, upon signing this Consent Agreement and returning this document to the Board's Executive Director, she may not revoke her acceptance of the Consent Agreement or make any modifications to the

document regardless of whether the Consent Agreement has been signed by the Executive Director. Any modification to this original document is ineffective and void unless mutually agreed by the parties in writing.

9. This Consent Agreement is subject to the approval of the Board and is effective only when accepted by the Board and signed by the Executive Director. In the event that the Board does not approve this Consent Agreement, it is withdrawn and shall be of no evidentiary value and shall not be relied upon nor introduced in any action by any party, except that the parties agree that should the Board reject this Consent Agreement and this case proceeds to hearing, Respondent shall assert no claim that the Board was prejudiced by its review and discussion of this document or any records relating thereto.

10. If a court of competent jurisdiction rules that any part of this Consent Agreement is void or otherwise unenforceable, the remainder of the Consent Agreement shall remain in full force and effect.

11. Respondent understands that this Consent Agreement is a public record that may be publicly disseminated as a formal action of the Board and may be reported as required by law to the National Practitioner Data Bank and the Healthcare Integrity and Protection Data Bank.

12. All admissions made by the Respondent in this Consent Agreement are made solely for the final disposition of this matter, and any related administrative proceedings or civil litigation between the Board and Respondent. Therefore, any admissions made by Respondent in this Consent Agreement are not admissible for any other use, such as in the context of another regulatory agency's proceedings, or civil or criminal proceedings, whether in the State of Arizona or in any other state or federal court.

13. Respondent understands that any violation of this Consent Agreement constitutes unprofessional conduct and may result in disciplinary action. A.R.S. §§ 32-1901.01(B)(20), -1927(A)(1).

14. Although Respondent does not agree that all of the Findings of Fact and Conclusions of Law set forth in this Consent Agreement are supported by the evidence, Respondent acknowledges that if this matter proceeded to a formal administrative hearing, the Board could establish sufficient evidence that, if accepted by the finder of fact, would support a conclusion that Respondent's conduct constitutes unprofessional conduct. Therefore, Respondent has agreed to enter into this Consent Agreement as an economical and practical means of resolving this case.

15. Respondent agrees that the Board will adopt the following Findings of Fact, Conclusions of Law and Order.
